

Highly mobile foot pump operated hand washing - wherever it's needed!

The WSX
WashStand Xtra

A rugged go-anywhere unit, easy to clean and use, it needs no electricity or mains water supply.

No need to touch a tap - the conveniently located foot pump enables an hygienic and effective wash.

Can be used anywhere a hand wash is required - indoors or out! The rugged handle and wheels make the WashStand Xtra easy and quick to deploy.

The handle holds any standard 300mm paper towel roll.

Needs no electricity or mains water supply - just wheel it to wherever it's needed!

The WashStand Xtra comes complete with a robust handle to enable easy relocation and a pump action soap dispenser and bracket.

Highly portable, rugged and self-contained: the WashStand Xtra needs no mains water service or drainage connections.

Washing wherever it's required just got a whole lot easier!

Effective hand washing - anywhere it's needed!

Features of the WashStand Xtra:-

- Highly mobile - robust wheels at the rear of the unit enable easy deployment.
- The high impact polyethylene body is easy to clean.
- Heavy duty metal handle (included) is capable of holding any standard 300mm paper towel roll.
- Hands free operation under running water.
- The water is dispensed when the conveniently located footpump is activated.
- The WashStand Xtra provides a fresh water hand wash without external plumbing or drainage.
- Go anywhere - the WashStand Xtra can be located on any flat surface, indoors or out.
- There is nothing to reset or adjust.
- The unit comes complete with an easy to use TEALTainer water container which ensures that fresh and waste water are kept separate and hygienically contained.
- The TEALTainer holds 9 litres of fresh water.
- The WashStand Xtra provides up to 50 fresh water hand washes per filling.
- The pump action soap dispenser and bracket are included.
- Simple daily hygiene routine.
