

54V XR FLEXVOLT AND AC 28MM HEX DEMOLITION HAMMERS

DCH966 / D25966

Soft Rubber Grip
More Tactile
Easier to grip

Removeable Side Handles
Narrower profile
Easier manoeuvrability in trenches

Simple ON/OFF Switch
Easy to actuate, better protected
Improved usability and durability

Wireless Tool Control
Seamless dust extractor operation
Less downtime

Easily accessible cord set
Reduced effort needed to replace it
Less downtime, reduced service costs

150-hour service interval
Reduced maintenance
Less downtime

Tool Tag Location
Secure fitment and protected location
Increased durability

41J Impact Energy
Pavement breaker performance
Huge productivity

Brushless Motor (Both AC and DC)
Increased efficiency, compact size
Increased power and productivity

Included Auxiliary Handle
Assists for carrying and for occasional horizontal applications
Ease of Use

Floating Mechanism
Low vibration
Longer trigger times

Reduced size & weight HEX Tool Holder
28mm HEX fitment in a 30mm HEX design
Reduced size and weight, increased visibility

Model No.	DCH966	D25966K
Tool Holder	28mm Hex	28mm Hex
Chisel Positions	1	1
Impact Energy (EPTA)	41 joules	41 joules
No-Load BPM	1080	1080
Battery Voltage	54	N/A
Weight (excl. Battery)	18.5	18.8
Input Power	N/A	1800
Length	770mm	770mm
Vibration Control	Yes	Yes
Vibration Value	6.1m/s ²	6.8m/s ²
Wireless Tool Control	Yes	Yes
Brushless Motor	Yes	Yes

54V XR FLEXVOLT 28MM HEX DEMOLITION HAMMER

DCH966Z2-GB

- Brushless motor offers increased runtime and durability with reduced maintenance
- Perform & Protect: low vibration at 6.1m/s², minimising user fatigue and increasing productivity
- Floating mechanism for fully encased vibration reduction
- Class leading 41 joules of impact energy
- Wireless Tool Control transmitter which allows the tool to be wirelessly paired with another Wireless Tool Control device, such as a dust extractor, for automatic activation and shut down
- Smaller and less intrusive tool holder offers reduced weight and improved chisel visibility
- Removeable side handles ideal for trench work
- 28mm HEX toolholder for a wide variety of readily available accessories
- Tool Connect Tag securing location allowing inventory management and tracking via the Tool Connect app. DCE041 Tool Connect Tag sold separately
- LED service indicator
- Compatible with DWH052 dust extraction adapter for dust-free operation
